BIG OFFER.

We call the attention of our readers to a remarkable club offer we are making in another column for the winter's reading. We are offering a value of $2.50 for $1.06. We hope all our old friends who have gotten in arrears will take advantage of this offer and pay up in addition for the paper. Be sure to read the offer.

The People Must Act.

It is very evident that the Congress will do nothing to relieve financial stress, and but one thing remains to be done that relief may be had, and that is for the people to apply the remedy. The of course can't coin the results into gold and silver or convert paper into greenback, but it can restore confidence between man and man, bank and depositors and that after all is the most satisfactory currency that was ever known in the business circles. It is better than gold for it is courageous and is the fruit of a fight, whereas gold hides away at the first intimation of danger. Gold is and has always been a coward, at never fearlessly faced an enemy and always failed in the presence of panics. Confidence requires neither to be embodied in Constitution nor enacted into law. The people need but speak the word and it goes forth conquering and to conquer. Let them do it, and do it now.

When they begin the trials of those who have been hoarding money, a lot of us can plead "not guilty."

The Washington Herald says that "Santa Claus was not mentioned in the message." But the children were.

It looks as though Mr. Roosevelt was out of the race and that he would have either Secretary Taft or Secretary Cortelyou succeed him.

We have not settled many of the problems of life. In a vast majority of cases it has not been even determined just who shall wear the breeches.—Dallas News.

Four thousand bills were introduced in Congress on the first day of the session and that is the last of them. The "boys" must get busy in the Record.

It is to be regretted that Judge Waddill should have thought best to appoint any one who had been connected with the Jamestown exposition as one of the receivers. Creditors and the country at large would have been better satisfied if new men had been selected to do the important work of protecting the sacred name of Jamestown from the further shadows of mismanagement.

Jeff Davis broke loose in the Senate the other day and while he gave attention to some homely truths, his tirade was without force or effect. Abusing the President is no evidence of statesmanship or of good sense and to hurl epithets at political advsaries from the exalted position is convincing proof that the speaker is not worthy a seat in that august body. Fight of course, but not with poisoned speech or pointed lance.

Southside.

Come again after a two month's stay in the Magic City. Home again and everything moving along in the same old way. The stars have not fallen, nor have we heard of a public calamity because of their absence. What a mistake it is to imagine one's self indispensable to the comfort and happiness of even our nearest and dearest. Isn't it good for us to have the conceit knocked out of us once in a while? We sway and suffer heartache and loneliness for those we leave behind. We return and find that our absence has occasioned hardly any concern and realize that it is a mistake to imagine one's self of more importance. Just an insignificant atom in the great mass of humanity. We drop out and are forgotten. But behind this fact is the comforting thought; not so much our Heavenly Father for "He careth for you and even the hairs of our heads are numbered" and not even a sparrow falleth to the ground without our Father."

The weather for the past few days indicates that grim winter is here and has come to stay. The ice is so heavy that traveling was dangerous and difficult and many fruit trees are broken down.

Christmas is most here and every body is busy preparing for that most joyful time.

Rumor has it that the wedding bells will ring twice if not thrice in the Southside ere the New Year dawns.

Miss Etta Coleman is visiting her sister near Vermilion.

Misses Bernice and Landon Cole expect to entertain a number of friends from Pittsylvania during the holidays.

We were shocked to learn of the horrible death of Mr. Bock Sims. We extend our deepest sympathy to the bereaved parents.

Mrs. Wm. Gordon, nee Miss Alma Pinkett, of the county was the guest of her brother, Mr. John S. Pinnkett recently. She has been residing in California for some time and her description of that lovely state and people was highly entertaining.

We had the pleasure of meeting Dr. Herman Jones an old Appomattox boy while in Roanoke. He has a beautiful home and lucrative practice and his name is a household word in many homes, and he is everywhere spoken of with affection and respect. He seems to so much enjoy talking of Appomattox and old friends and acquaintances and said "give my love to all the Appomattox people."

Success to the TIMES and may its many readers have a happy Christmas.

Christmas is close at hand and every body seems to be getting ready for it.

A North Carolina man recently stole a box full of sermons from a preacher in that state. Possibly he thought that the preacher, like Shakespeare, should never repeat.

If Shakespeare did'nt write Shakespeare's works, and John Milton did'nt write this own name in his Bible, maybe the stenographer did it from dictation.

The constituents of some of the brand new Congressmen who went to Washington to run things, must begin to wonder why nothing has yet happened.

Female Weakness

"Last Fall," writes Mrs. S. G. Bailey, of Tunnelton, W. Va., "I was going down by inches, from female disease, with great pain. After taking Cardui, Oh! My! How I was benefited! I am not well yet, but am so much better that I will keep on taking Wine of Cardui till I am perfectly cured."

Despite the envious attacks of jealous enemies and rivals, Cardui still holds supreme position today [as in the past 70 years] for the relief and cure of female diseases. It stops pain, tones up the organs, regulates the functions, and aids in the replacement of a misplaced organ.

A Mineral Water that Defies Drugs

NATURE'S GREAT BLOOD TONIC

The recent drug exposures in this Country have proven to all that deadly poisons and stimulants ark in many Patent Medicines. You never know when you might be taking some of that class.

Nature has made ample provision for restoring vigor and vitality to humanity, and the public, as well as doctors, resort to Natural Remedies, when all others have failed.

Are you troubled with **Dyspepsia, Nervousness, Malaria, Kidney or Bladder Trouble, Chronic Diarrhoea or Dysentery,** and above all, that dreadful disease **Scrofula,** which has almost baffled human skill, or **Diseases peculiar to Females?**

Piedmont-Bedford Concentrated Iron & Alum Water

Is Nature's Remedy for Nature's Ills. Yes, when you consider that disease comes from impoverished or run down conditions of the system, this Natural Mineral Water furnishes the system what it needs.

The analysis of this Water, shown on the bottle, tells you what **Nature thinks you should take when sick,** and the doctor who reads it will agree.

Do you think the grouping together in this Water of 17 different minerals, which are recognized by medical writers as **most powerful blood tonics,** could have been accidental? Reason answers, NO!

An 18-oz bottle of Piedmont-Bedford Concentrated Iron and Alum water contains all the minerals of 25 gallons of the average natural water—Then **why buy a barrel of water when you can get a bottle of minerals at the trivial cost of one dollar.** The dose is a teaspoonful in a glass of your own spring water.

How this Water acts upon the system is not clearly known. It is judged mainly by its works. It has cured all the diseases numerated above, and many more, evidently through its action as a powerful **BLOOD TONIC.**

We have many valuable certificates, which we will be glad to mail, if you are interested.

HERINGTON'S TABLETS.

—ABSOLUTELY CURES—
Indigestion, Rheumatism, Diabetes, Kidney Diseases, Bladder Troubles, Liver Complaints.

A Sure Kidney and Liver Cure.

Have you kidney kidneys? If not you will soon be attacked with that terrible Disease, Bright's Disease, Gravel, Dropsy or Rheumatism, and your health and life will be in danger. Don't wait until you are taken down with one of these, for Bright's Disease, Diabetes and all other forms of Kidney and Bladder Trouble, if your kidneys are not healthy, if the bowider is inflamed and weakened, urin highly colored or scanty, emitting burning, passing pains, backache, nervous, hopeless, depressed, weakened in body and mind, bowels constipated and digestion bad, write for a box of HERINGTON'S TABLETS and be cured.

What Causes Rheumatism.

RHEUMATISM is caused by an excess of uric acid in the blood. Ask any reputable physician, ask your family doctor, and he will tell you that the Uric Acid must be dissolved and drove from the system before the disease can be cured.

You may say that the only medicine known that will actually dissolve Uric Acid and drive it from the body is Herington's Tablets, for all other specifics claim to do this and fail. Why waste time and money on them? Why suffer pain and misery, when it is time wasted to the county of the patient, unless constitutional treatment is entered on at the same time. Why? It cannot be done, for the uric acid in the blood must be freed of the cause or no cure can follow.

Write Today to Herington's Tablets. If they fail to CURE you we will return your money as willingly as we took it. Our guarantee is NO CURE, NO PAY.
